"Tiṭṭhante nibbute cāpi,
same citte samaṃ phalaṃ."

"Whether toward the living Buddha or the sacred relics of the Enlightened Ones who have attained Parinibbāna, if one's mind is equally devout, it can provide virtuous benefits. When all beings cultivate a heart of merit with equal sincerity, they will not fall into the realms of suffering (Apāya). Instead, they shall reach the celestial abodes (Sugati) or the bliss of Nibbāna."
